

Free Colon Cancer Education and Screening

Colon Cancer is the third leading cancer diagnosis for both men and women. Come learn about the risk factors for colon cancer, ways to reduce your risk and the effective screening tools that can detect colon cancer before it begins!

Offered by Piedmont Athens Regional's Loran Smith Center for Cancer Support

Free screening kits will be available.

**Saturday, April 14th
9 am to 12 pm**

Athens YMCA

915 Hawthorne Avenue • Athens, Georgia

Presented by:

April Dorsett RN, Community Educator

Sandy Pyle RN, Oncology Nurse Navigator
