PEYTON & KAIDEN

About Peyton & Kaiden

- We play softball together!
- Both Peyton and Kaiden's favorite subject in school is Math.
- Kaiden likes to draw and Peyton likes to dance.

Why They Love the Y

Kaiden loves the Y because it is a place where she can make new friends. Kaiden and Peyton met in Taekwondo at the Y. They each go to separate schools so TKD was their only connection at first. The Y is where they started their friendship. Then they started playing softball together and now their parents are also friends. They carpool to softball games and enjoy hanging out in youth programs. They also love the Y because of the activities and the coaches. You go girls!
