# THE O'NEIL FAMILY

## About the O'Neil Family

- Mary Frances and Kevin met while students at UGA and all their boys were born in Athens. They love Athens and are proud to call it home.
- They love camping and hiking and make a point to explore new places. The Flying O'Neils are always ready for adventure.
- All three of their boys, Finn, Ollie and Tiger, have learned to swim at the YMCA and have attended Athens Y Camp.

## Why They Love the Y

"We love the YMCA because it has something to offer everyone, no matter your interests, age or ability. The Y attracts a welcoming and friendly membership, and we are especially grateful for the kind, hardworking staff."
