# TIM KLEVEN

## About Tim

- Tim has a pet cat named Winnie.
- He likes to collect stamps and do Tai Chi.
- He is a very talented bowl carver who has been carving for 15 years.

## Why He Loves the Y

Tim started coming to the Y to go to classes and use the indoor pool so he could swim during the winter. Now the Y is more to Tim than just a class or place to swim. He daily enjoys sitting in the front lobby and chats with friends before he heads home. He participates in most of the events hosted by the YMCA Gold community. Tim has grown to love this place. He recently donated one of his beautifully hand carved bowls to the Y. This bowl was made from a YMCA magnolia tree that was removed last year. His favorite class is Cindy's YMCA Gold class on Wednesdays. He would love to see you there!
