

whY the Y

Dear friend of the Athens YMCA,

I can tell you all day long why I love the Y: the history, the programs, the stories, and, most of all, the people. But, hearing first-hand from someone who's a part of the Athens YMCA is the absolute best evidence for why this Y is so wonderful.

Tenny is a precious soul and finds a way to follow me around camp all day. He serves in our Leaders in Training (LIT) program. Please listen to this sweet young man tell you why he loves our YMCA.

Being a part of our LIT program means Tenny volunteers his time to serve younger kids in our summer day camp while participating in career development and leadership

training as well. Let me say that again... a teenage boy volunteers his summer to serve and grow!

So whY the Y?

Tenny loves the Y because he gets to be in the community, have fun, learn new things, and serve his community while doing it!

Gratefully,

Shae Wilson

CEO, Athens YMCA
