

why the Y

Dear Friend of the Athens YMCA,

Why the Y?

Because we believe in raising leaders who are going places—literally.

On June 11th, our 23 LIT (Leaders In Training) crew loaded up and headed to **University of North Georgia – Oconee Campus** for a college visit! For many, this was their first time stepping foot on a college campus.

Next up, they'll be touring **UGA** (Go Dawgs!) and **Athens Tech** (Go Owls!).

At the Y, we're not just building stronger bodies—we're building brighter futures. These visits help our teens catch a vision for what's possible and remind them that their story is just beginning.

Coach Allison shared, “It was the BEST experience! 10 out of 10!”

Stay tuned for more stories as these future world-changers keep stepping into their purpose.

Blessings,

Shae Wilson
