

# STRONG HERITAGE

# BRIGHT FUTURE

For generations, the Athens YMCA has been working to strengthen our community by helping individuals and families learn, grow and thrive. The Y is recognized as a tremendous local asset, providing opportunities for all ages to gather for physical activity, to make new friends, to be a part of a team and to learn new ways to lead healthy, more productive and satisfying lives.

Our focus on youth development, healthy living and social responsibility drives everything we do. Since we opened our doors in 1857, thousands of folks have personally benefited from the Y's commitment to respond to community needs and make Athens a better place to live.

**Legacy Partners** are those who have committed to helping our Y continue to make a meaningful and enduring impact on our community. With an outright or planned gift to the Endowment Fund, you join those who feel this special responsibility to build on our strong heritage and ensure a bright future.
